

# BACKRETE® FUEL PUMP CLEANER

*Multi-Purpose Degreaser*

**KIT**

6 qts. Cleaner  
&  
1 Microfiber Cloth

## DESCRIPTION

Fuel Pump Cleaner and Multi-Purpose Degreaser by BackKrete is designed to clean fuel pump surfaces without damaging the signage or paint. This is a safe, environmentally friendly, excellent degreaser. It may be used to degrease a variety of hard surfaces. Contains no butyl or any other solvent, yet it out-cleans other degreasers.

## BENEFITS

**ENVIRONMENTALLY FRIENDLY:** Patented formulation that removes greasy, oily soil but contains no petroleum distillates.

**NO BUTYL:** Replaces more personally hazardous cleaner/degreasers containing glycol ethers.

**NO VOC'S:** With no solvents, Fuel Pump Cleaner will not release volatile organic compounds into the air.

**VERSATILE:** May be used to degrease a wide variety of surfaces.

**NO RINSING:** Loosened soil remains suspended in the cleaning solution – and will not redeposit.

**DEODORIZES:** Contains a blend of ingredients noted for their ability to deodorize as well as clean.

**BIODEGRADABLE:** Fuel Pump Cleaner is biodegradable.

## HOW TO USE

- 1 - Spray directly on Fuel Pump Surface or any other hard surface to be cleaned or degreased.
- 2 - Allow a moment for the degreaser to dwell on the surface.
- 3 - Wipe the surface clean with a soft cloth, or paper towel.
- 4 - Buff & polish the clean Fuel Pump Surface to a nice luster with a microfiber cloth or soft cloth, if desired.
- 5 - Not intended for food surface areas.

## SPECIFICATIONS

APPEARANCE.....	Light Pink Liquid
ODOR.....	Practically Odorless
SPECIFIC GRAVITY.....	1.060 ± 0.005
DENSITY.....	8.45 ± 0.05 lb/gal
pH.....	11
